OxWell 2027: Expression of Interest (EOI) Form

Thank you for expressing your potential interest in participating in the OxWell 2027 survey. This form is designed to gauge possible interest and is non-binding. Completing this form does not commit your school or local area to participate but ensures we keep you informed of any further developments.

THANK YOU

FOR BEING PART OF THE OXWELL
STUDENT SURVEY IN 2025

UNIVERSITY OF
OXFORD

Over 35,000 students completed the survey in 2025. To every student who shared their voice, and every staff member who made participation possible - **thank you!**

We are now working hard to ensure student voices are at the heart of decision-making.

The OxWell data is being shared with schools, Local Authorities, CAMHS, Public Health teams and other partners so that services, support and policies reflect what young people say they need.

Thank you for making it possible.
